*The classic stable drive configuration  
—great for indoors and outdoors*
- +** **Built tough with lots of options**  
*Reinforced components for strength  
and stability, with a wide range  
of standard and power options*
- +** **LED lighting system**  
*Safely light your way  
with long-lasting LEDs*

## *The chair for rugged types*

### **TOUGH AND STABLE**

The Meyra XXL and XXL HD don't back down. Built to move users up to 200 kg (XXL) or 250 kg (XXL HD), with a great stable and sturdy design, the XXL and XXL HD are tough. Thanks to the power tilt-in-space and recline function, as well as the choice of powered separate or centre mounted footrests, the XXL and XXL HD are built tough and comfortable.

Reinforced and built tough

Powerful 2 x 300W or  
2 x 350W motors

Powered tilt-in-space

Long-lasting  
LED lighting system
