

NANO X

FOLDABLE MANUAL CHAIR
VERSATILE & SMOOTH

Crash tested
Complies with international ISO safety standards for crash safety

Permanent provision with possibilities for adapting to changes in function reduces follow up costs.

Extensive standard equipment minimises the need for costly custom design.

Minimum wear due to high quality attachments.

Design your freedom

BEAUTIFUL DESIGN MEETS FUNCTION

This modern and highly adaptable chair is an excellent choice for a wide variety of medical conditions. The Nano X offers a smooth ride, quick adjustments and a low tare weight to encourage user independence. It is easy to service and low in maintenance with numerous colour options, offering plenty of choice and personalisation.

Castor wheel connection milled from solid material.

Elegant frame concept.

Convenient folding function for storage and travel.

Double cross brace for rigid frame-like ride performance.

Vario element.
